MISS FAIR TROPHY OF EXCELLENCE

This trophy rewards the dressage horse who has shown the most potential, not necessarily performance, during dressage competitions throughout the year. At each competition, the judge who has participated for the entire show is asked to rank the three horses considered outstanding with respect to talent, brilliance, and potential, assigning point ratings of 10, 6 and 3. Ratings are placed in a sealed envelope and given to the President of ASDS for final determination. If, when the ratings are totaled at year's end, there is not one winner or if a tie exists between two or more horses, the award is not presented.
