ASDS Guidelines for Non-Competitors

The following guidelines are compiled to assure the safety and enjoyment of all at the competitions. Common courtesy and heeding the requests of show officials is most appreciated.

On-time performance: Show competitions are scheduled to the minute, and therefore, plan to be early to accommodate parking and seating. Drive slowly in the presence of horses.

Barn rules: One of the most universal rules of a horse facility is "NO Smoking" in and around the barn as there are many flammable materials in the area. Also do not feed the horses or enter any stalls without permission.

Warm up areas: Most competitors warm up their horses about 30 minutes before their test time. It is a time for concentrating on the task at hand. Plan to find seating in the spectator area. After the competition/test, congratulate your deserving horse enthusiast on a job well done.

Unpredictable moving items: Balloons are not good items to bring to a horse show, and umbrellas should be opened with caution.

During the performance: Quiet observation is the best manner of enjoying the test performance. Calling out during the performance can distract the competitor and hinder the rider from hearing the reader calling the test pattern.

Applause is well-appreciated after the completion of a test. Caution, however, is recommended with respect to the reaction of a young or inexperienced horse that may 'spook' at an over-exuberant audience.

After the performance: Meet the competitors well away from the testing arena. Take general precautions as other horses may be in the immediate area. Walking behind an unknown horse is not a safe practice. Edible nontoxic flowers/leis are great gifts for the rider. With permission, carrots and apples are great treats for the horse. Please do not feed anything to a horse without permission as your treat may contain a forbidden substance under USEF Drugs and Medications Rules.

Awards: There are no formal awards ceremonies after the Show. Test scores are posted on the bulletin board in a timely manner after the ride. After each Level is completed, ribbons and awards are distributed from the Officials tent.

Questions? Ask one of the show officials. For more information about our Dressage Society, visit our web site at: www.alohastatedressage.com.

Competitors are reminded to check their scores at each competition and alert show management within 1 hour after class results are posted if they find any errors.

THE SPORTSMAN'S CHARTER

That sport is something done for the fun of doing it and that it ceases to be sport when it becomes a business only, something done for what there is in it;

That amateurism is something of the heart and spirit – not a matter of exact technical qualifications;

That good manners of sport are fundamentally important;

That the code must be strictly upheld;

That the whole structure of sport is not only preserved from the absurdity of undue importance, but is justified by a kind of romance which animates it, and by the positive virtues of courage, patience, good temper, and unselfishness which are demanded by the code;

That the exploitation of sport for profit alone kills the spirit and retains only the husk and semblance of the thing;

That the qualities of frankness, courage, and sincerity which mark the good sportsman in private life shall mark the discussions of his interests at a competition.

Dressage Seat Equitation, Quadrille, Pas de Deux and Materiale classes are excluded from the maximum limit of rides per day and horses in these classes may compete at any level for which they are otherwise eligible during the same competition. **DR119.2**

Riders who do not submit a current Dispensation Certificate, USEF or FEI Para-Equestrian Classification Card, or USEF Presidential Modification letter to the competition secretary cannot compete with any modifications, compensatory aids, or dispensations to the rules in DR Chapter 1. USEF affidavits cannot be used to compete with modifications or compensatory aids when either the Dispensation Certificate, Classification Card or Presidential Modification is not available. **DR119.14**

The unsafe use of personal electronic transport devices, as determined by the competition officials and management in their sole discretion, that do not require a driver's license to operate, including but not limited to segways, hover boards, and single wheeled scooters is prohibited on competition grounds. Operating such devices in areas where people gather may be deemed "unsafe use" if there is a risk of harm to others. If the operator of the device is a minor, the parent/legal guardian or individual who signs the entry blank as a parent or guardian of a minor operating the device in violation of this rule is accountable and may be subject to penalties. Wheelchairs and other mobility assistance devices for individuals with disabilities are exempt from this rule. **GR1301.7**

The name of the trainer must be designated as such on the entry blank. **GR148 and GR907.2**

MANAGER: The manager of a Dressage Competition must be present throughout the competition he/she is managing while classes are under way. However, he or she may leave the competition grounds if he or she designates an assistant manager in charge during the time of his/her absence. Rides within a class may be rescheduled in a different order. (2) Ride times or classes may not be changed more than one hour from the time announced in the official schedule unless 12 hours notice of such change is given to each exhibitor and judge affected, or each exhibitor affected consents in writing to the change. USDF MISSION

Dedicated to education, recognition and promotion of Dressage

ATTENTION COMPETITORS

Each competitor is responsible for supplying management with correct association numbers, (United States Dressage Federation, US Equestrian Federation) for horse, owner, rider, and trainer, before the day(s) of the competition.

The scores of competitors who fail to supply correct numbers may not be counted toward national awards.

MUSICAL COMPETITIONS

ASDS offers competitors the opportunity to perform musical rides at each dressage show.

MUSICAL FREESTYLE: Except for USEF/USDF Championship classes and for FEI Pony Riders, FEI Junior and FEI Young Rider Freestyles, in order to enter a freestyle class at any level, a horse/rider combination must have received a minimum score of 63% for Training through Fourth levels and 60% for FEI levels in the highest test of the declared freestyle level or any test of a higher level at a Federation /USDF Licensed Dressage Competition or FEI recognized Dressage Competition or “open” Dressage class (i.e. open to all breeds) at a Federation Licensed Competition held prior to the competition where the horse/rider combination is entered to ride a freestyle class. To enter an FEI Para Dressage Freestyle class, a horse/rider combination must have received a minimum score of 60% in any FEI Para Dressage test (Para Novice Test, Para Intermediate Test or Para Grand Prix Test) at the rider’s classified Grade. This score may be earned at a USEF/USDF licensed Dressage Competition or FEI recognized Dressage Competition or “open” Dressage class (i.e. open to all breeds) at a Federation Licensed Competition held prior to the competition where the horse/rider combination is entered to ride a freestyle class. A photocopy of the test verifying eligibility, or copy of the USDF score verification, must be submitted with the entry for a freestyle class. All FEI Pony Rider Tests are equivalent to Second Level; all FEI Junior Tests are equivalent to Third Level; all FEI Young Rider Tests are equivalent to PSG; and the USEF Brentina Cup (Young Adult) Test and FEI Young Rider Grand Prix 16-25 Tests are equivalent to Intermediate II. For purposes of freestyle qualification, all are considered equivalent to the highest test of that level and may be used to enter a freestyle at that level or a level below. Young Horse and FEI Children Tests cannot be used for freestyle qualification at any level. **DR129.9**

Musical Freestyles must be ridden to music; the music CD is to be provided by the competitor at least two hours prior to the start of the class. Check with management if providing music in a different format to make sure it can be played. **Competitors in Musical Competitions may request a sound check prior to the start of their class.** Please inform the Announcer of your request prior to entering the arena. See **DR129** for information regarding specifications and judging criteria for Musical Freestyles. With few exceptions, which are listed on the score sheets, a freestyle competitor may not perform movements and transitions that appear only in tests of a higher level. In FEI Level Freestyles, movements intentionally performed above the test level will result in elimination. Required movements not performed will be scored as 0 (zero). Movements not required, but at or below the level of the test, are permissible and will be scored only as they enhance or detract from the Artistic Impression. When two or more judges officiate, they may be located at the short end of the arena or one may sit on the long side. Training through Fourth Level Musical Freestyle classes as well as FEI Freestyles will be offered at all ASDS-recognized shows.

For information about **Pas de Deux**, please check the USDF website www.usdf.org and **DR130**.

These classes may be scheduled if requested by three or more competitors collectively. Notify Show Management of the class you would like to have scheduled. Show Management will make every effort to then schedule this request. Riders are exempt from the USEF membership and non-membership requirements and from USDF member requirements for horse, rider and owner unless a team member enters another class for which participant membership is required.

PAIR KUR (PAS DE DEUX): Dressage Pas de Deux is an artistic program created by two riders to present their horses to best advantage in an artistic, musical context. There are no qualifying requirements for Pas de Deux. Two riders are to create and execute from memory an original ride showing two horses simultaneously. The ride is to be to music provided by the competitors. Riders must specify the level being shown and the names of both horse/rider combinations when submitting each

competitor's entry form. Riders must use movements appropriate to the chosen level and must not perform movements exceeding the degree of difficulty of that level. If the horses are not the same level, the lower level horse determines which level the team may enter as determined by USEF rules. The upper level horse is exempt from the two consecutive level rule. For example, a Prix St. Georges horse and a horse competing at Second and Third Levels may enter Pas de Deux competition no lower than Second Level. There is no minimum time requirement. Maximum time allowed is five minutes from Training through Intermediate and six minutes for Grand Prix, measured from the moment when the horses move forward after the starting salute until the final salute. At the beginning and end of the ride, the riders must salute together. Scores for Pair Kur rides are not considered in determining the median score for ASDS year-end awards.

ATTENTION COMPETITORS

Each competitor is responsible for supplying management with correct applicable numbers (USDF and USEF) for horse, owner, rider, and trainer, before the day(s) of the competition.

The scores of competitors who fail to supply correct numbers may not be counted toward national awards.

USDF Statement on Animal Welfare

The United States Dressage Federation, Inc. (USDF), a federation of individual members and over 100 independent organizations throughout the United States, supports the concept of ethical treatment of animals.

Dressage is a classical method of training horses, based upon the horse's natural responses, as carried out in a gradual, planned program during which the horse's athletic abilities are improved in a systematic manner. As a result, the horse becomes capable, comfortable, and responsive in partnership with the rider without the use of force. Dressage competition at various levels of achievement is the ultimate test of the training program to determine whether the desired harmony between horse and rider has been achieved.

The rules pertaining to dressage competition prohibit the use of artificial appliances, training aids, and drugs, which would force the horse to submit. Instead, the emphasis is upon training and a cooperative partnership with the rider. Major competitions are carefully monitored to assure that there is no unnecessary force or harshness displayed.

Unlike other horse sports in which horses enter training at a relatively immature state, dressage training is usually not seriously begun until the horse is three or four. The top levels of achievement require five or more years of progressive training and it is not unusual to see horses in international competition in their late teens. This, in itself, places a premium on good care and soundness throughout the horse's life.

While supporting the concept of animal welfare in its broadest form, the United States Dressage Federation, Inc., also recognizes that it is unrealistic to ascribe human emotions and responses to the horse which in its wild state is a creature of flight, living a hard and precarious existence. Under domestication, the horse is assured of ample food, water, and shelter, as well as protection against infectious diseases and damaging parasites, thus leading a longer and healthier life with a high rate of survival.

As an educational organization, USDF has numerous programs, which teach people how to pursue the accepted, humane training methods. A program of certifying instructors also emphasizes protecting the horse's welfare in pursuit of dressage training.

Membership Requirements for USEF-licensed/USDF-recognized Competitions: Owners and riders, including foreign riders and owners who are not residents of the US, wishing to participate in a USEF-licensed/USDF-recognized competition as a rider or owner/lessee, must have either a USDF Group Membership (GM), Participating Membership (PM), or have a USDF Non-Member (NM) identification number and pay the USDF Non-Member (NM) fee. (Note: USDF Business Members can own horses but cannot compete as riders with their USDF Business Membership.)

Horses competing at USEF-licensed/USDF-recognized competitions must have either a USDF Horse Identification (HID) number or a USDF Lifetime Horse Registration (LHR). Proper credentials or verification certificates must be presented to the competition secretary.

Riders and owners wishing to participate in a USEF-licensed/USDF-recognized competition, and not able to present the competition secretary with verification of a USDF membership or NM identification, and USDF LHR or USDF HID, must complete a USDF Competition Affidavit Form and pay the \$5 affidavit filing fee. A copy of a completed affidavit form from another competition may also be used for verification purposes for up to 60 days. (Exception: Affidavits cannot be used at Great American Insurance Group/USDF Regional Dressage Championships.)

Exceptions:

- Horses competing only in Individual Breed Classes (IBCs) at DSHB competitions, sires and dams of horses in DSHB group classes, where those sires or dams are not actually competing in the same competition, horses competing only in breed restricted dressage or DSHB classes at Regular Competitions (e.g. all Arabian, all Friesian, or all Morgan classes), or in USDF Introductory Level tests, pas de deux or quadrille, are exempt from this requirement. Also exempt are horses ridden in leadline, exhibitions, games and races, classes for 4-H members, walk-trot, academy, and opportunity classes.

Memberships Defined

Participating Membership (PM): A membership issued to an individual directly by USDF. The membership year is December 1 through November 30. PMs are available for 1-year (\$100), 5-years (\$400), or life (\$2,000). A USDF Youth Participating Membership (YPM) is available for individuals who have not reached their 21st birthday by December 1 of the current membership year (\$80). A PM allows the member to compete at USEF-licensed/USDF-recognized competitions and to participate as a rider and/or owner/lessee for all Adequan®/USDF Year-End Awards and the Great American Insurance Group/USDF Regional Dressage Championship program.

Group Membership (GM): A membership issued to an individual by USDF when the member name and dues are submitted to USDF through an affiliate Group Member Organization (GMO). The GM year begins December 1 and ends November 30. A GM allows the member to compete at USEF-licensed/USDF-recognized competitions and participate in the USDF Rider Awards Program.

Business Membership (BM): A membership that runs December 1 through November 30 and is issued to a business or organization directly by USDF. The USDF BM (\$280) offers a wider variety of advertising benefits. BMs satisfy requirements of horse ownership only.

Non-Member (NM) Identification Number: For each USDF NM owner/lessee and USDF NM rider there will be a USDF NM fee of \$55 per competition that must be collected by the show secretary and submitted to USDF, along with the USDF Report of Fees document and the \$5 affidavit fee and Competition Affidavit Form if the person cannot provide a copy of their USDF NM card. Owners/lessees or riders exempt from the NM number requirements are also exempt from paying the USDF NM fee. If there are multiple owners of a horse and all are NMs, only one of the owners must pay the NM fee. If the horse has at least one owner who is a current USDF PM, GM, or BM there is no NM fee assessed. Competition management will be invoiced for all applicable USDF NM fees not received with the USDF post-competition paperwork, along with a report listing all USDF NMs. Competition management is then required to submit the NM fees within 30 days to the USDF. An individual with a USDF NM identification number is not eligible for any USDF membership benefits. Once a USDF NM number has been assigned, a USDF NM card can be obtained from the USDF website.

Horse Identification (HID) Number: A one-time tracking number for horses (\$45). Scores earned by a horse with an HID number will be recorded but will NOT be counted towards Adequan®/USDF Year-End Awards. A horse with an HID number is not eligible to compete in Great American Insurance Group/USDF Regional qualifying or championship classes. An HID number can be upgraded to a Lifetime Horse Registration (LHR) for a fee of \$95. If a horse has a USDF LHR it does not need an HID number. An HID number is a one-time fee that does not need to be renewed.

Lifetime Horse Registration (LHR): A horse with an LHR (\$140) is eligible for Adequan®/USDF Year-End Awards, and eligible to compete in Great American Insurance Group/USDF Regional qualifying and championship classes, assuming requirements for the owner and rider are met. If a horse has an LHR it does not need an HID number. An LHR does not need to be renewed.
