USEF and USDF Required Memberships

Through a joint agreement between USDF and USEF, USDF will be providing the member's USDF Horse Identification Number or Lifetime Horse Registration Number as well as additional information on the horse and owner to USEF so that it can be directly entered into their system. The intent of this rule is to provide a system of tracking a horse's performance throughout its competing lifetime.

USEF:

Rider, Owner, Trainer and Coach are required to be **USEF** members. Proof of each membership shall be attached to each ASDS Entry Form for each show. Unless participating solely in exempt classes (see **GR901.9**), if not a member prior to the show, each participant will be required to pay a non-member USEF Show Pass Fee of \$45.00 for each show that he/she is not a member. This fee is non-refundable. See **GR201-205** for membership categories and membership requirements.

USDF:

Rider is required to be **USDF** Group Member (GM) or Participating Members (PM), or can pay the \$35 USDF non-member fee to enter. **Owner** is required to be **USDF** GM, PM, or Business Member, or pay the \$35 USDF non-member fee to enter. **To qualify for national awards, Rider must be a Participating Member (PM) and Owner must be either a PM or Business Member (BM).** Proof of USDF membership shall be attached to each ASDS Entry Form for each show or you will be charged a non-member fee of \$35.00 and/or a \$5.00 Affidavit Fee for each show for which you are unable to show proof of membership. A GM membership is not automatic. A GM membership is issued to an individual by USDF when the member name and dues are submitted to USDF through an affiliate Group Member Organization (GMO). (ASDS is a GMO of USDF). This could take one or more weeks depending on when you join ASDS and how long it takes for the required paperwork to reach USDF. It takes USDF a few days to post your GM membership number online. **Your ASDS Membership is not proof of USDF Membership.** See the **2022 USDF Recognition Page** located on Page 24 of this Prize List.

A **Horse** must have either a **USDF** Horse Identification (HID) number or Lifetime Horse Registration (LHR) to be allowed to show in USEF-Licensed/USDF-Recognized Competitions. Horses which are **only** competing in classes 1-3 (Introductory Tests) or 24 (USDF Pas de Deux), and 36-42 (USEF Opportunity Classes) are exempt from the HID and LHR rule. A Lifetime Horse Registration is required to be eligible for USDF Year-End Awards. Proof of HID number or LHR shall be attached to each ASDS Entry Form for each show. The horse will not be allowed to enter the show if proper credentials are not applied for and presented to the show secretary prior to the horse entering the arena. See the **2022 USDF Recognition Page** located on Page 24 of this Prize List for full details. Only one HID number will be issued per horse and must remain with the horse throughout its career. If you purchase a horse, check with the previous owner to obtain the horse's HID Number. Also check both USDF and USEF. A duplicate HID number for an individual horse may be subject to disciplinary action. See **GR1101.1 – 4. and GR1102 (Horse Recordings.)**

There will be no charge for Unique Horse ID Numbers that are issued via the internet to members of USEF or its affiliates for: 1) horses that are life recorded, registered or otherwise identified or listed with a USEF discipline affiliate, or 2) horses registered with a USEF breed affiliate. Horses not meeting the above criteria must have a completed USEF Horse application indicating on

the application the request for a Horse ID before a number will be issued. This form can be completed on the internet free of charge at www.usef.org. **GR1101.9**. Horse membership verification must be attached to each ASDS Entry Form for each show.

Trainer or Coach is not required to be a USDF Member.

Once you have all the USEF and USDF memberships for rider, owner and horse, you are encouraged to go to www.eqverification.org and complete a **USDF/USEF Master Verification**. USDF and USEF horse, rider, and owner information will appear on the same page. This form must **not** be separated.

USDF Participating Members are not required to keep track of or report their scores to USDF for USDF Year-End Awards.

ATTENTION COMPETITORS

Each competitor is responsible for supplying management with correct association numbers (USDF and USEF) for horse, owner, rider, and trainer, before the day(s) of the competition.

The scores of competitors who fail to supply correct numbers may not be counted toward national awards.

DR122: EXECUTION AND JUDGING OF TESTS

DR122.8. the scale of marks is as follows:

10 Excellent	4 Insufficient
9 Very Good	3 Fairly Bad
8 Good	2 Bad
7 Fairly Good	1 Very Bad
6 Satisfactory	0 Not executed
5 Marginal	

All half marks from 0.5-9.5 may also be used both for movements and collective marks, at the discretion of the judge, and scores given must be recorded with a decimal (i.e., as 6.0 instead of 6). "Not executed" means that practically nothing of the required movement has been performed. In FEI Level Freestyle tests, half marks may be used for all marks.

SCORING: Scores must be posted as soon as possible after each ride, and final results for each class must be posted as soon as possible after the class is completed. **DR123.2 and 123.3** If a mathematical error on the score sheet is discovered, it must be brought to the attention of competition management **within 1 hour** of the official posting of the scores from the last class of that competition day. **DR123.11** The score sheet must be handed directly to the competitor or his/her representative. Privacy must be maintained. **DR123.12**

REFUNDS: GR911: After the close of entries, refunds may be made only upon certification of unsoundness by a veterinarian or, in the case of personal illness, by a physician. There will be no refund of entry fees if a competitor withdraws his/her entry in order to avoid potential late and/or error fees. No exhibitor may withdraw her/his horse from the show without permission from the Show Secretary. If such permission is not received prior to withdrawal from a test, s/he may be disqualified for the remainder of the show and all her/his fees forfeited.

- a. **At the Show:** If you have the required documentation, you may present it to the Show Secretary along with the \$21.00 (one day) or \$42.00 (two days) nonrefundable ASDS Office Fee in check or cash, and she will give you back your original check. This must be done prior to the ASDS Treasurer picking up the Show checks from the Secretary. Usually this is after lunch on the Sunday Show.
- b. **After the Show:** If a refund is not taken care of at the show, you have seven (7) days after the Sunday Show to send your documentation along with your request for a refund to the ASDS Treasurer. Be sure you enclose the ASDS Office Fee (\$21 for each day) and a SASE.
- c. **Show cancellation due to extenuating circumstances:** You have seven (7) days from the Sunday Show to request your refund minus the ASDS Office Fee of \$21.00 for each day. More than likely the Treasurer will have deposited the Show Checks, so s/he will have to issue a refund check from ASDS. Be sure to include a SASE. If your refund request is not received by the deadline, all entry fees will be forfeited to ASDS.

COVID-19-Related Show Cancellation: If the show is cancelled as a result of COVID-19 or COVID19-related government order, a full refund of all entry fees minus office fee paid for the show will be issued. If the show is rescheduled for a later date because of COVID-19, entrants have the option of keeping their entries in the rescheduled show or receiving a full refund.

ENTRY FEES for all rides, refer to the ASDS Entry Form.

FOOD: Food services may be available on the grounds (depending on COVID-19 rules, water will be available for purchase). **GR1216.4**

SCORING, CLASSIFICATION AND PRIZE GIVING: Ribbons will be awarded to sixth place in each division - Open, Adult Amateur and Junior/Young Riders. A prize will be awarded for each division of each test of each level (Introductory to Second Level) to the highest scoring rider with a minimum score of 62% or higher. A Dressage Show High Score Award may be offered at each dressage competition. If a tie should occur, the highest marks received under General Impressions shall be declared the winner. When the scores for General Impressions are equal, the horses must remain tied. Riders will co-share the placement. **DR123.3**

It is each competitor's responsibility to be familiar with all applicable USEF/USDF rules. Please check pp. 12-16 in this Prize List and consult the current USEF Rulebook for more information.

ASDS Guidelines for Non-Competitors

The following guidelines are compiled to assure the safety and enjoyment of all at the competitions. Common courtesy and heeding the requests of show officials are most appreciated.

On-time performance: Show competitions are scheduled to the minute, and therefore, plan to be early to accommodate parking and seating. Drive slowly in the presence of horses.

Barn rules: One of the most universal rules of a horse facility is "NO Smoking" in and around the barn as there are many flammable materials in the area. Also do not feed the horses or enter any stalls without permission.

Warm up areas: Most competitors warm up their horses about 30 minutes before their test time. It is a time for concentrating on the task at hand. Plan to find seating in the spectator area. After the competition/test, congratulate your deserving horse enthusiast on a job well done.

Unpredictable moving items: Balloons are not good items to bring to a horse show, and umbrellas should be opened with caution.

During the performance: Quiet observation is the best manner of enjoying the test performance. Calling out during the performance can distract the competitor and hinder the rider from hearing the reader call the test pattern.

Applause is well-appreciated after the completion of a test. Caution, however, is recommended with respect to the reaction of a young or inexperienced horse that may 'spook' at an over-exuberant audience.

After the performance: Meet the competitors well away from the testing arena. Take general precautions as other horses may be in the immediate area. Walking behind an unknown horse is not a safe practice. Edible nontoxic flowers/leis are great gifts for the rider. With permission, carrots and apples are great treats for the horse. Please do not feed anything to a horse without permission as your treat may contain a forbidden substance under USEF Drugs and Medications Rules.

Awards: There are no formal awards ceremonies after the Show. Test scores are posted on the bulletin board in a timely manner after the ride. After each Level is completed, ribbons and awards are distributed from the Officials tent.

Questions? Ask one of the show officials. For more information on our Dressage Society, visit our web site at: www.alohastatedressage.com.

Competitors are reminded to check their scores at each competition and alert show management within 1 hour after class results are posted if they find any errors.

THE SPORTSMAN'S CHARTER

That sport is something done for the fun of doing it and that it ceases to be sport when it becomes a business only, something done for what there is in it;

That amateurism is something of the heart and spirit – not a matter of exact technical qualifications;

That good manners of sport are fundamentally important;

That the code must be strictly upheld;

That the whole structure of sport is not only preserved from the absurdity of undue importance, but is justified by a kind of romance which animates it, and by the positive virtues of courage, patience, good temper, and unselfishness which are demanded by the code;

That the exploitation of sport for profit alone kills the spirit and retains only the husk and semblance of the thing;

That the qualities of frankness, courage, and sincerity which mark the good sportsman in private life shall mark the discussions of his interests at a competition.

USEF MEMBERSHIP STATEMENT – GR901.9

Horses are limited to a maximum of three Dressage rides per day at Fourth Level and below or two Dressage rides per day above Fourth Level. Horses may enter no more than two consecutive levels, Freestyle levels included, at any one competition. DRUG FEES: Except for Opportunity Classes, USEF requires a \$23.00 per horse fee (Drugs and Medications Program - \$15; USEF - \$8) for each horse entered in each show. Introductory riders must also pay this fee but USEF and USDF membership is not required. Exhibitors have the responsibility to be familiar with USEF Rule Book, Chapter 4, Drugs and Medications, specifically **GR401-412 and GR414** in consultation with their Veterinarian.

QUALIFIED MEDICAL PERSONNEL: Qualified medical personnel with no other duties and with appropriate medical equipment, as required by their certifying State or EMS Region, must be present during all scheduled performances at all competitions. **GR847.1** Management will post the **Accident Preparedness Plan** including emergency telephone numbers and directions to the competition site. SAFETY: MOTORIZED VEHICLE STATEMENT: Minors who do not have a valid driver's license which allows them to operate a motorized vehicle in the state in which they reside will not be permitted to operate a motorized vehicle of any kind, including, but not limited to, golf carts, motorcycles, scooters, or farm utility vehicles, on the competition grounds of licensed competitions. Minors who have a valid temporary license may operate the above-described motorized vehicles as long as they are accompanied by an adult with a valid driver's license. **The parent/legal guardian or individual who signs the entry blank as a parent or guardian of a minor operating a motorized vehicle in violation of this rule are solely responsible for any damages, claims, losses or actions resulting from that operation.** Violations of this rule will be cause for penalties against those responsible for the child committing the offense. Wheelchairs and other mobility assistance devices for individuals with disabilities are exempt from this rule.

The unsafe use of personal electronic transport devices, as determined by the competition officials and management in their sole discretion, that do not require a driver's license to operate, including but not limited to segways, hover boards, and single wheeled scooters is prohibited on competition grounds. Operating such devices in areas where people gather may be deemed "unsafe use" if there is a risk of harm to others. If the operator of the device is a minor, the parent/legal guardian or individual who signs the entry blank as a parent or guardian of a minor operating the device in violation of this rule is accountable and may be subject to penalties. Wheelchairs and other mobility assistance devices for individuals with disabilities are exempt from this rule. **GR1301.7**

COACH: For the purposes of these rules, a coach is defined as any adult(s) who receives remuneration for having or sharing the responsibility for instructing, teaching, schooling, or advising a rider, driver, handler or vaulter in equestrian skills. **GR108** If you help or assist a rider during competition, your name must be annotated in item 4 of the ASDS Entry Form and you must attach proof of your USEF membership to the Entry Form. You must also sign the back of the Entry Form under Coach. **GR907.2**

TRAINER: Any adult(s) who has or shares the responsibility for the care, training, custody or performance of a horse. This individual must sign the entry blank of a Licensed Competition whether the individual be an owner, rider, agent and/or coach as well as trainer. When a minor exhibitor has no trainer, a parent or guardian must sign and assume responsibility of trainer. The name of the trainer must be designated as such on the entry blank. **GR148 and GR907.2** The parent signing for the child is not required to be a USEF member. **GR1308.1(c)** To avoid a potential non-member Show Pass fee, be sure to put "parent" next to your signature. For more in-depth information read **GR404**.

MANAGER: The manager of a Dressage Competition must be present throughout the competition he/she is managing while classes are under way. However, he or she may leave the competition grounds if he or she designates an assistant manager in charge during the time of his/her absence. This does not absolve the manager's duties and responsibilities. For more in-depth instructions read **GR1202.1-7** and **DR125.2a**.

COMPETITION SECRETARY: An individual acting in this capacity must be an Individual Senior Active Member of the Federation. **GR1203.1-2** and **DR125.2b**

PRESIDENTIAL MODIFICATIONS: Modifications may be made in the application of the Federation Rules under special circumstances (see Bylaw 332.1e). Requests should be submitted to the Office of the President and will be forwarded to appropriate committee chairmen for their recommendations before being submitted to the President for consideration. Senior Active Members of the Federation may submit a request for Presidential Modification to the Rules with supporting documentation and a non-refundable \$50 processing fee. The President has the authority to waive the processing fee. You must submit your request to USEF in the appropriate amount of time before the show to make sure your approval is received and attached to your Entry Form for the show for which you are requesting modifications. No exceptions are authorized. The Show Secretary must attach a copy of the approval to the score sheet that is to be given to the judge. **GR153**

TIME SCHEDULE: Unless otherwise notified, the first ride of the show starts at 9:00 a.m. The last ride is generally in the late afternoon. Exact schedules will be printed in each show program and will be posted at each competition site and emailed to competitors and officials.

(1) Rides may be rescheduled up to one hour earlier or later than announced in the official schedule if each competitor is individually notified at least two hours prior to his/her rescheduled ride time. Rides within a class may be rescheduled in a different order. (2) Ride times or classes may not be changed more than one hour from the time announced in the official schedule unless 12 hours notice of such change is given to each exhibitor and judge affected, or each exhibitor affected consents in writing to the change. Public address announcements do not meet the notification requirements of this rule. **GR830.5**

For information on **FEI CLASSES**, competitors are asked to check the FEI Definite Schedule. **GR901.32**

EQUINE VACCINATION RULE: At Federation licensed competitions, horses entering the grounds must be accompanied by documentation of Equine Influenza Virus and Equine Herpes Virus (Rhinopneumonitis) vaccination, within 6 months prior to entering the stables. Horses not in compliance with this rule may be asked to leave the competition grounds upon request by Competition Management. **GR844**

USDF MISSION

Dedicated to education, recognition and promotion of Dressage

ATTENTION COMPETITORS

Each competitor is responsible for supplying management with correct association numbers, (United States Dressage Federation, US Equestrian Federation) for horse, owner, rider, and trainer, before the day(s) of the competition.

The scores of competitors who fail to supply correct numbers may not be counted toward national awards.

MUSICAL COMPETITIONS

ASDS offers competitors the opportunity to perform musical rides at each dressage show.

MUSICAL FREESTYLE: Except for USEF/USDF Championship classes and for FEI Pony Riders, FEI Junior, FEI Young Rider and FEI Para-Equestrian Freestyles, in order to enter a freestyle class at any level, a horse/rider combination must have received a minimum score of 63% for Training through Fourth levels and 60% for FEI levels in the highest test of the declared freestyle level or any test of a **higher level at a USEF/USDF licensed Dressage Competition, Federation Licensed or FEI recognized Dressage Competition, or “open” Dressage class (i.e. open to all breeds) at a Federation Licensed Competition held prior to the competition where the horse/rider combination is entered to ride a freestyle class.** A photocopy of the test verifying eligibility, or copy of the USDF score verification, must be submitted with the entry for a freestyle class. **DR129.9**

Musical Freestyles must be ridden to music; the music CD is to be provided by the competitor at least two hours prior to the start of the class. Check with management if providing music in a different format to make sure it can be played. **Competitors in Musical Competitions may request a sound check prior to the start of their class.** Please inform the Announcer of your request prior to entering the arena. See **DR129** for information regarding specifications and judging criteria for Musical Freestyles. With few exceptions, which are listed on the score sheets, a freestyle competitor may not perform movements and transitions that appear only in tests of a higher level. In FEI Level Freestyles, movements intentionally performed above the test level will result in elimination. Required movements not performed will be scored as 0 (zero). Movements not required, but at or below the level of the test, are permissible and will be scored only as they enhance or detract from the Artistic Impression. When two or more judges officiate, they may be located at the short end of the arena or one may sit on the long side. Training through Fourth Level Musical Freestyle classes as well as FEI Freestyles will be offered at all ASDS-recognized shows.

For information about **Pas de Deux**, please check the USDF website www.usdf.org and **DR130**.

These classes may be scheduled if requested by three or more competitors collectively. Notify Show Management of the class you would like to have scheduled. Show Management will make every effort to then schedule this request. Riders are exempt from the USEF membership and non-membership requirements and from USDF member requirements for horse, rider and owner unless a team member enters another class for which participant membership is required.

PAIR KUR (PAS DE DEUX): Dressage Pas de Deux is an artistic program created by two riders to present their horses to best advantage in an artistic, musical context. There are no qualifying requirements for Pas de Deux. Two riders are to create and execute from memory an original ride showing two horses simultaneously. The ride is to be to music provided by the competitors. Riders must specify the level being shown and the names of both horse/rider combinations when submitting each competitor's entry form. Riders must use movements appropriate to the chosen level and must not perform movements exceeding the degree of difficulty of that level. If the horses are not the same level, the lower level horse determines which level the team may enter as determined by USEF rules. The upper level horse is exempt from the two consecutive level rule. For example, a Prix St. Georges horse and a horse competing at Second and Third Levels may enter Pas de Deux competition no lower than Second Level. There is no minimum time requirement. Maximum time allowed is five minutes from Training through Intermediate and six minutes for Grand Prix, measured from the moment when the horses move forward after the starting salute until the final salute. At the beginning and end of the ride, the riders must salute together. Scores for Pair Kur rides are not considered in determining the median score for ASDS year-end awards.

DRESSAGE SEAT EQUITATION

Dressage Seat Equitation is offered as an Opportunity class for the first time in 2022. Juniors, Young Riders, Adult Amateurs and/or Open riders may enter this class. If you are interested in entering this class, please check **DR133 and GR821.2e** for more information. Use the show entry form available at www.alohastatedressage.com and write "DSE- Opportunity" in the "Other Classes" section.

PRIX CAPRILLI

Prix Caprilli Tests 2 & 3 were offered for the first time in 2021. The requirements for these classes are listed on the test sheets displayed on the following pages and posted on the ASDS website. If you are interested in entering one of these classes, please use the show entry form available at www.alohastatedressage.com and list your desired test in the "Other Classes" section.

In addition, Alaska and Hawaii may each hold state championships if an official request from a Group Member Organization (GMO) is received by April 1 of the prior year. The Regional Championship Program Rules can be found on the USDF website at www.usdf.org. Please refer to the 2022 USDF Member Guide for the comprehensive list of rules and requirements for this program.

Rev 1/11/2021

USDF Statement on Animal Welfare

The United States Dressage Federation, Inc. (USDF), a federation of over 100 independent organizations throughout the United States with a membership of nearly 30,000 members, supports the concept of ethical treatment of animals.

Dressage is a classical method of training horses, based upon the horse's natural responses, as carried out in a gradual, planned program during which the horse's athletic abilities are improved in a systematic manner. As a result, the horse becomes capable, comfortable, and responsive in partnership with the rider without the use of force. Dressage competition at various levels of achievement is the ultimate test of the training program to determine whether the desired harmony between horse and rider has been achieved.

The rules pertaining to dressage competition prohibit the use of artificial appliances, training aids, and drugs, which would force the horse to submit. Instead, the emphasis is upon training and a cooperative partnership with the rider. Major competitions are carefully monitored to assure that there is no unnecessary force or harshness displayed.

Unlike other horse sports in which horses enter training at a relatively immature state, dressage training is usually not seriously begun until the horse is three or four. The top levels of achievement require five or more years of progressive training and it is not unusual to see horses in international competition in their late teens. This, in itself, places a premium on good care and soundness throughout the horse's life.

While supporting the concept of animal welfare in its broadest form, the United States Dressage Federation, Inc., also recognizes that it is unrealistic to ascribe human emotions and responses to the horse which in its wild state is a creature of flight, living a hard and precarious existence. Under domestication, the horse is assured of ample food, water, and shelter, as well as protection against infectious diseases and damaging parasites, thus leading a longer and healthier life with a high rate of survival.

As an educational organization, USDF has numerous programs, which teach people how to pursue the accepted, humane training methods. A program of certifying instructors also emphasizes protecting the horse's welfare in pursuit of dressage training.

Business Membership (BM): A membership that runs December 1 through November 30 and is issued to a business or organization directly by USDF. The USDF BM (\$240) offers a wider variety of advertising benefits. BMs satisfy requirements of horse ownership only.

Non-Member (NM) Identification Number: For each USDF NM owner/lessee and USDF NM rider there will be a USDF NM fee of \$35 per competition that must be collected by the show secretary and submitted to USDF, along with the USDF Report of Fees document and the \$5 affidavit fee and Competition Affidavit Form if the person cannot provide a copy of their USDF NM card. Owners/lessees or riders exempt from the NM number requirements are also exempt from paying the USDF NM fee. If there are multiple owners of a horse and all are NMs, only one of the owners must pay the NM fee. If the horse has at least one owner who is a current USDF PM, GM, or BM there is no NM fee assessed. Competition management will be invoiced for all applicable USDF NM fees not received with the USDF post-competition paperwork, along with a report listing all USDF NMs. Competition management is then required to submit the NM fees within 30 days to the USDF. An individual with a USDF NM identification number is not eligible for any USDF membership benefits. Once a USDF NM number has been assigned, a USDF NM card can be obtained from the USDF website.

Horse Identification (HID) Number: A one-time tracking number for horses (\$35). Scores earned by a horse with an HID number will be recorded, but will NOT be counted towards Adequan®/USDF Year-End Awards. A horse with an HID number is not eligible to compete in Great American Insurance Group/USDF Regional qualifying or championship classes. An HID number can be upgraded to a Lifetime Horse Registration (LHR) for a fee of \$80. If a horse has a USDF LHR it does not need an HID number. An HID number is a one-time fee that does not need to be renewed.

Lifetime Horse Registration (LHR): A horse with an LHR (\$115) is eligible for Adequan®/USDF Year-End Awards, and eligible to compete in Great American Insurance Group/USDF Regional qualifying and championship classes, assuming requirements for the owner and rider are met. If a horse has an LHR it does not need an HID number. An LHR does not need to be renewed.
